Perhaps 1:00 mountain? Not sure I'll be in cell range at 9:30, but if that works better for Shaun then I think you should go ahead and I'll do my best to call in.

My apologies, I misinterpreted the email chain. In regards to today's availability:

Start times assuming 30 minute call:

9:30 am MST

Any start time after 12:00 pm MST up to the call with Jerimiah at 2pm MST.

I think Shaun was suggesting a call today, Don, before the call with jerimiah at 2:00 Mountain today.

Stuck on a train right now, but looking at calendar through Blackberry it appears that Wed. Morning we could field a call from 7:00 am MST through 9:00 am MST. Or we could do 30 minutes at 9:30 am MST.

That would be fine. Howard and I have a call with WY and Encana at 2:00 Mountain. Let's try for some time before then. Don -- can you jump in?

Bob,
Thanks for the update. Could we discuss further on a conference call tomorrow? I'd like to think through with you some more of the questions/ramifications of participating on Thursday. I'm available any time before 9:30 am MDT.

Howard/Shaun -- sorry to be throwing you guys curveballs but Jerimiah was positive about our presence on Thursday and OEA is ok assuming a closed, no-press event. I think we should be there after all.

We're on board if this is a closed door event and no-press -- which is the understanding I got from Renny on Friday.

David -- Jerimiah got back to me and said the Governor would appreciate an EPA presence on Thursday. I'm sure that he would be ok without us but the reaction when the question was posed was positive. Does this change your view?
